

Plans & pricing

Shift-log module · per-site subscription

Starter

shared cloud — single site
/ SME, no dedicated IT
(typically <50 people),
own subdomain

€99 / site / month

- ✓ One site, structured digital shift diary
- ✓ Automatic shift-report PDF on shift close
- ✓ Role-based access, auditable trail
- ✓ EU data residency (shared, RLS-isolated)

Business

dedicated cloud — multi-department / multi-site, white-label, custom domain (typically 50-200)

€299 / site / month

- ✓ Multiple sites and plants in one account
- ✓ Dedicated database project and storage
- ✓ Custom report templates and exports (CSV/Excel)
- ✓ White-label: your logo, name and brand colour

Enterprise

self-hosted / air-gapped — large, regulated, multi-site; data sovereignty, Seveso-capable, custom SLA (200+)

Custom offer

- ✓ On-premise / air-gapped deployment (Docker)
- ✓ Your own identity provider (Keycloak/SSO)
- ✓ Data residency and IT audit on your infrastructure
- ✓ Extensible with add-on modules (e.g. Analytics)
